

PUMA Team,

How about our beautiful spring with green grass, pretty flowers, and warmer weather? Yippee!

I am very proud to recognize all of our students for maintaining a 99% attendance rate. This is an outstanding feat and is only accomplished with the diligence of our students and their families. Thank you!

Helfrich Park has been honored to have a number of students receiving special awards for their hard work, academic skills, and determination. Students honored by U.S.I. for outstanding Science Fair projects follow: Elyse Talley, Olivia Frayer, Samantha Marcrum, Matthew Robey, Victoria Garland, and Sydney Smith. Students honored by the ISSMA for their outstanding gold performances at the State Solo and Ensemble competition were Natalie Yeh, Justin Clark, and Hannah Nelson. Mead Johnson Art Fair winners include: Two-Dimensional - 1st Place Lexie Robinson, 2nd Campbell Murray, Honorable Mention Jake Robertson; Three-Dimensional winners - 1st Place Ellora Daily, 2nd Place Kelli Niemeier, Honorable Mention Calyssa Peralta. Congratulations to all the above students for their tremendous work!

Beginning April 6, and the following three Mondays, students will receive their homework assignments for the days missed due to snow and inclement weather. The students will have one week to complete each assignment for their core classes, one per week. Students will have the opportunity to contact their teachers after school for help or stay after school for assistance using technology. Each core teacher will be informing students and parents of the technology process they will be using to complete the work.

All the best to everyone for a wonderful holiday weekend!

RESERVE BOYS' BASKETBALL TEAM

The JV Boys' Basketball Team advanced to the City Championship game this year for only the second time in school history. Behind leading scorers Eli Burkhart and Alex Mitchell, and rebound leaders Marc Vincent and Owen O'Reilly, the PUMAS made a great run at the City title. The boys put forth a great effort, but came up a little short in the title game, falling to league and tournament champs Washington Middle School. The loss did not take away from an outstanding season posted by the young PUMAS. After winning only one game the previous year, the PUMAS collected an 11win season that included three straight wins in the City Tournament to advance to the final game. Team members include: Conner Alford, Eli Burkhart, Jason Cox, Michael Futrell, Tyler Gustin, Drake Hobbs, Jordan Jarvis, Carter Loveless, Logan Martin, Alex Mitchell, Owen O'Reilly, Brody Tichenor, and Marc Vincent. NICE JOB, PUMAS!!

Several workers are needed between the hours of 8:30 a.m. – 12:30 p.m. Hangers is located in the old North High School on Diamond Avenue. Your help would be greatly appreciated!
